

Dear Customer,

As a member of Access Health CT, I wanted to reach out to you regarding the state insurance department's decision to place HealthyCT under an order of supervision. It is important that you know that your current coverage with HealthyCT remains in place until your renewal date. At the time of your renewal, a change in carrier will be required.

I want to assure you that we are committed to working with our small business community to help all HealthyCT customers find the best coverage option at the time of your renewals.

Here's what you need to know:

- Groups currently covered by HealthyCT will continue to be covered until the end of their current plan year.
- New employees entering a currently covered group will also continue to be covered by the existing policy.
- A small business renewing in 2016 can choose to continue with a small business plan by renewing with Anthem or UnitedHealthcare.
- In 2017, a small business can renew with Anthem. While we work to engage new carriers in the Small Business Program, our current partner provides solid options for the small business community.

We understand that this disruption may cause you concern. We will work with you to select the best option moving forward at renewal.

Our team is here to help!

We know you have lots of questions and we want to help answer them. We have scheduled a meeting with all of our impacted customers to discuss the HealthyCT exit and transition of customers to new plans. You can attend in person, via conference call or via webinar. The details are listed below – we hope you will join us.

What: Online Webinar

Date: Wednesday, July 27

Time: 1:30 PM EST

RSVP: <http://ahctsmallbusinessupdatejuly27.eventbrite.com>

Access Health CT wants to thank you for participating in our Small Business Program. We look forward to working with you in the months ahead.

Sincerely,

Jim Wadleigh
CEO, Access Health CT
