

# More About...

For 79 years Anthem has provided Connecticut residents with high-quality, affordable plan options. Our goal is to be there when you are sick and to help you stay well – at every stage of life. Call us today and speak to a licensed representative in English or Spanish.

<p><b>A Strong Network</b></p> 	<p>Anthem has more doctors and specialists than any other health plan in Connecticut<sup>1</sup> or across the country<sup>2</sup>. We even offer the #1 HMO plan in the state<sup>3</sup>! Find out if your doctor is in our network using our Find a Doctor tool on <b>anthem.com</b>.</p> <ol style="list-style-type: none"> <li>1. <p><b>Online Tools at Your Fingertips</b></p> 	<p>Our secure website lets you pay your premium, view claims, find out what your plan covers and even estimate the cost of common procedures. Download our mobile app to access a virtual ID card, manage prescriptions and get directions to a doctor or hospital.</p>
<p><b>Doctor Visits 24/7 with LiveHealth Online<sup>4</sup></b></p> 	<p>We offer a convenient way to talk face-to-face with a board certified doctor when your own doctor isn't available. Just use your computer or mobile device to access medical care 24/7. No appointment needed and LiveHealth Online visits cost \$49 or less depending on the Anthem plan you select.</p> <p>4. LiveHealth Online is the trade name of the Health Management Corporation.</p>
<p><b>We're Focused on Your Wellness</b></p> 	<p>In addition to \$0 preventive care in network on all plans, we offer programs to support you being your healthiest. Our 24/7 Nurseline allows you to talk to a registered nurse day or night about health concerns. And our SpecialOffers@Anthem<sup>SM</sup> provides discounts on health and wellness products and services.</p>
<p><b>Taking a Trip? We'll be There</b></p> 	<p>When traveling, going to the doctor is the last thing you want to worry about. Good news! Our HMO plans cover emergency care in all 50 states, while our PPO plans feature the BlueCard<sup>®</sup> program, which offers access to care throughout the U.S. and worldwide.</p>
