

More About...

HealthyCT isn't just any insurance company. We're a non-profit CO-OP started by Connecticut doctors and governed by members. Your health is everything and we want you to use your plan to stay healthy or get well. All 2016 HCT plans offer preventive care covered at 100%, doctor consults by phone 24/7/365 and much more!

| <p>Plans</p>  | <p>Choose from many plans to find the one fitting your needs and budget. All cover annual checkups and preventive screenings. You don't need referrals to see specialists and you can get 90-day prescriptions locally or by mail. HCT plans also protect you with limits on your medical spending and emergency coverage worldwide.</p> |
| <p>Plan Perks</p>  | <p>Great health and medical coverage is just the beginning. Your HCT plan comes with many programs and services at no extra cost. Enjoy gym discounts and personalized support for setting and reaching your health and wellness goals. You can even have a say in your health plan by running or voting for your Board of Directors.</p> |
| <p>Network</p>  | <p>With HCT, it's easy to get the care you need. There's one network for all plans, with 18,000+ doctors and other providers – and every hospital – in Connecticut. Have kids in college or travel out of state? You also have more than 750,000 providers to choose from nationwide.</p> |
| <p>Health and Wellness Programs</p>  | <p>Need help reaching your health goals? HCT Healthy Strides online has exercise videos, symptom checkers, treatment options, healthy recipes and access to fitness trainers and nutritionists. Our nurses can answer simple medical questions or help you cope with medical conditions. Or stay on track with health discounts, incentives and community services.</p> |
| <p>Help When You Need It</p>  | <p>Health care can be confusing. HCT has primary care doctors recognized for helping patients coordinate and receive high-quality care. You get consults with doctors by phone all day, every day at no extra cost. And our customer service representatives and nurses are here to help you get the most from your HCT plan.</p> |
