

Dear Community Partners,

In the next couple of days, a small number of Access Health CT consumers will be receiving an **ORANGE ENVELOPE** in the mail. It is important that consumers review this information carefully as they will need to take action to enroll in free services being offered to help protect their personal information that may have been compromised in a data breach.

WHAT YOU NEED TO DO:

If a consumer asks you about a data breach OR orange envelope OR an issue with their personal information that was compromised, please have them call Access Health CT at **860-241-0045**. We will have a dedicated team to assist these consumers.

Thank You In Advance for Your Help,

**Your Access Health CT
Support Team**
